Preview Exhibit:

The OST Preview Exhibit is a benefit to artists participating in the studio tour. It is an optional exhibit with no additional fees. This year the exhibit has been moved up to February so that more visitors can view the work prior to the tour. The exhibit opening coincides with Tubac's Festival of the Arts bringing many visitors to the art center. The exhibit not only entices visitors to your studio but allows the opportunity to sell your work.

Giclee reproductions printed on canvas are not permitted. Entry must be original, entirely the work of the artist, executed within the last 24 months, and cannot have been previously shown at TCA.

In order to maintain the integrity of the exhibit, no art may be removed from the exhibit prior to the close of the exhibition on Sunday, March 19, 2014 including sold art.

PREVIEW EXHIBIT: February 6 - March 22, 2014

Sales:

All work in the preview exhibit must be for sale. TCA will retain a 40% commission. Price work accordingly.
