

SUMMER ARTS PROGRAM

Every summer Tubac center of the arts closes the galleries, gift shop and dedicates the facility to provide children an opportunity to explore and enjoy art projects, learn new skills and make new friends.

Children will work with experienced and exceptional teaching artists and create projects designed to encourage creativity and self-expression. Our program features projects in a variety of media including drawing, painting, dance, sculpture, and more.

Children will be supervised during lunch/breaks and encouraged to have fun!!! Summer is just around the corner and enrollment is LIMITED to 15 students per group, so register early to secure your spot.
